MEMORANDUM FOR :	
Frank,	
DDCI's distribution for s we had access to "Blue St our shift to the Comptrol reporting about the Sovie fair amount of volume but	celephone conversation about getting on the sensitive intelligence reports. As you know, cripe" reports through the D/DCI/NI before ler's staff. Our office screens all other et Union from NSA, DIA, FTD, USN, and the DAO This is a I was not able to develop any formula that etion like CRS to selectively route reports
only the sensitive reports hand-carried as my secreta Nearly any system convenience.	ly sensitive DDO reporting should not be routed be satisfied with some arrangement to screen s in any convenient cubby hole or to have them ary in sealed envelopes for return the same day. ent for you is okay with me. I would not pass embers of my office without appropriate con-
